

all rare.

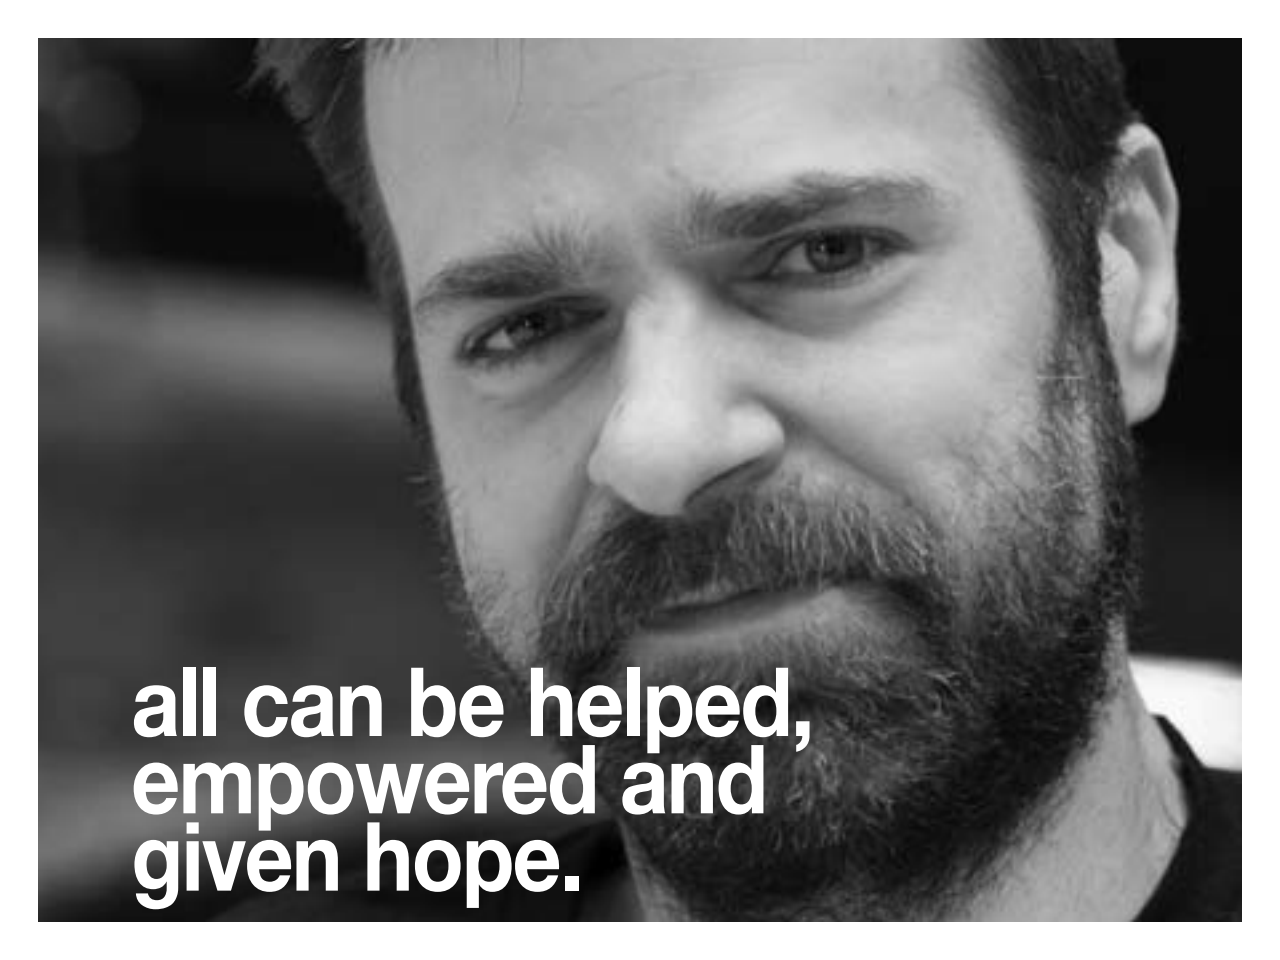

**all heart-breaking.**

**tay-sachs. gm-1.  
sandhoff. canavan.**

**all have NTSAD  
in common.**

A black and white close-up portrait of a man with a full beard and mustache. He is looking slightly to the left of the camera with a neutral, thoughtful expression. The lighting is soft, highlighting the texture of his hair and beard. The background is dark and out of focus.

**all can be helped,  
empowered and  
given hope.**

With every call to NTSAD after a new diagnosis, **you give hope.**

With every grant to a researcher on the verge of discovery, **you give hope.**

With every tear shed after a family says goodbye, **you give hope.**

With your gift, **you join our common goal**  
to improve our rare families' lives and help find a cure  
for these life-limiting and heart-breaking diseases.

your gift today  
will help NTSAD  
be there for them

**now and tomorrow.**
